1997-1998

# DEDICATION

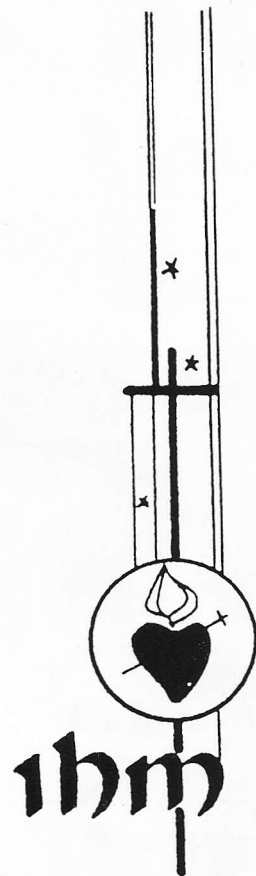

This yearbook is gratefully dedicated to the Sisters of the Immaculate Heart of Mary, past and present, who have served Saint Richard School and Parish with loving devotion throughout these many years.

Through their steadfast dedication, the IHM Sisters have given more than time to our St. Richard family, they have touched our souls with their very presence and filled our hearts with joyful appreciation for the beauty of each other and all of God's creatures.

We could never begin to thank the IHM Sisters for all the work they have done or all the love they have shown to us. May God bless them in all their future endeavors and may they know that they will always remain a part of us forever.

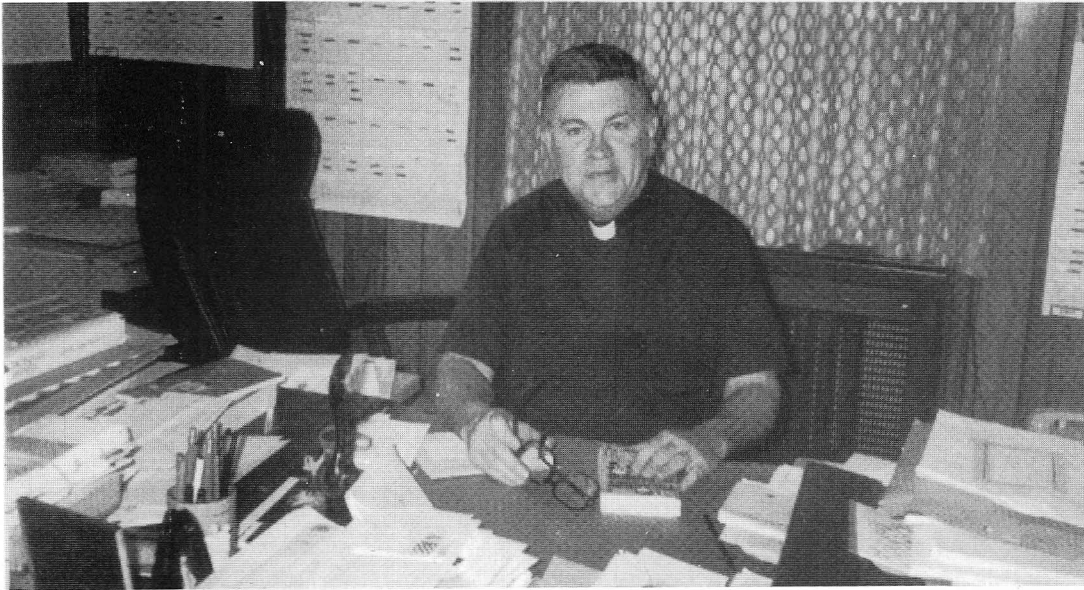

Their mission, to teach as Jesus did, will continue for generations to come because of the enduring commitment and spirit they have imparted to us.

THANK YOU!!  
GOD BLESS YOU!!
